  5. if the goods are damaged during transport, LT will notify the Customer by the second business day following receipt of the products, to enable them to file a timely complaint against the carrier of their choice and be reimbursed the value of the good (if insured); in this case, the product will be made available to the customer for its return, simultaneously cancelling the request for withdrawal;
  6. LT is not responsible in any way for damage or theft/loss of goods returned by uninsured shipments;
  7. the withdrawal shall not apply in relation to audio-visual products or sealed software, if the customer has opened the seal.

In all such cases, the withdrawal will not have been lawfully and validly exercised by the customer and, therefore, LT will return the product to the customer, at the customer's risk and expense.

The shipment, up to the certificate of receipt in the LT warehouse, is entirely borne by the customer.

The return of products that are damaged, deteriorated, in a dirty state due to its use, which has compromised the integrity or lack of accessories and original equipment, shall not be accepted by LT and shall be returned to sender with the debiting of transport costs.
